Dear Sir:

The failure to reply was unintentional because the first named inventor Mr. Oleg Vyacheslavovich Gritskevich was sick hardly in 2003-2004 and has died at the end of 2005. He was responsible to prosecute before the U.S. Patent and Trademark Office. Now it is my responsibility, therefore hereby I ask you to revive this abandoned application under 37 CFR 1.137(b).

Enclosed, please, find following documents:

- a petition fee in amount of \$750;
- required proper reply together with enclosed necessary fees.

Sincerely,  
Second named inventor  
Oleg Vyacheslavovich Gritskevich
